LOST!

Two golden hours set with sixty diamond minutes;
No reward is offered for they are lost forever.

One's time is a priceless asset; who steals a purse steals trash; but he who steals time forces us towards mental and temporal bankruptcy. A physician has no other asset to be compared in value to his time.

To sacrifice comfort and rest and to turn every moment to account is the price one must pay for scientific progress.

Every needless interruption of a physician's time is a direct robbery.

So, understanding this, you will aid by phoning your request for house calls early in the day and (whenever possible) you will make your office visits during our afternoon office hours which are from one (1) to four (4) P. M., Sundays by appointment only.

It is always understood that urgency and emergency calls can be subject to no rule or convenience and we are always ready to answer them at any hour, day or night.

Today's discovery is the common possession of tomorrow. Only by continued study can a physician add a little each day to his

knowledge; thus preserving and preparing his ability to diagnose disease and to relieve distress.

GUARANTEED FOR COUGHS

A Good, Cheap, Home-Made Remedy

Money spent for the old-style, ready-made cough syrups in bottles holding only 2 to 2½ ounces is very largely wasted, because most of them are composed principally of sugar and water. Yet you have to pay the same price as if it was all medicine. Stop wasting this money. You can make a better cough medicine at home at one-fifth the cost. Merely go to the drug store named below and ask for 2 ounces (50c worth) of Schiffmann's Concentrated Expectant. Mix this with one pint of granulated sugar and one-half pint of boiling water, which makes a full pint (16 ounces). This new, simple, pleasant remedy is guaranteed to relieve the worst cough or cold. Also excellent for Bronchial Asthma, Bronchitis, Croup, Hoarseness and Whooping Cough. One bottle will make enough

home-made cough medicine to probably last the whole family the entire winter. Children like it, it is so pleasant to take. It positively contains no chloroform, opium, morphine or other narcotics, as do most cough mixtures. It is altogether different from all others. Keep it on hand in case of emergency and stop each cough before it gets a firm hold. These druggists, in fact Druggists everywhere, have been authorized to return the money in every single case where it does not give perfect satisfaction or is not found the best remedy ever used. You will be the sole judge, and under this positive guarantee absolutely no risk is run in buying this remedy. Your druggist has this remedy or will get it for you, if not, order direct of R. J. Schiffmann, St. Paul, Minn. Guaranteed here by
